There were none.

The clerk said she would try to get the audit done as soon as possible. Various discussions were then had about setting up a Facebook page or some kind of page on the website for residents to report potholes/pavements etc.

EN/03/20 Potential Projects:

Dusting Down Driffield: the dates would be promoted from the end of February and Cllr McLeod would also add them to his volunteer FB page.

Tree planting: model like that adopted in Pocklington. Funding and maybe a partnership with Men in Sheds could be established.

EN/04/20 Ideas for Public Consultation:

There would be a section to include issues that whilst outside the remit of the town council, residents found important would want the DTC to lobby ERYC and other organisations about.

Discussions around littering and dog fouling.

The clerk informed the committee that the First Aid Box were giving free first aid training to the Friends of the Beck Volunteer Group but that they required accommodation to carry out the work. It was **agreed** to allow the Market Walk meeting free of charge to the Friends of the Beck on this occasion.
